Write the opening “hook” for your story:

What is your nut graf? (so what? Why does this matter?)

Who are your characters? (use descriptive words)

What is your bolt graf? (resolves nut graf)

What creates the tension in your story? What is the conflict?

What is the setting of your story? (use descriptive words)

What is the mood of your story? (use descriptive words)

What will your “moment of insight” be? (offers closure to reader)

Describe your main character.
